

**COMPREHENSIVE MEDICAL IMAGING PROGRAM – CT + MR TRACK**  
**Suggested Course of Study**

Students must be Certified Radiographers to enter the CT/MR track of the CMI Program. Almost all students have completed UNLV's 2-yr Radiography Certificate Program prior to entering the CMI Program and, therefore will have completed the math and basic science requirements. These students enter the CMI Program with 86 credits. Please refer to the Radiography Program Course of Study for a list of courses taken in the Freshman and Sophomore years.

**JUNIOR**

FALL		SPRING	
ENGL 231 OR 232	3	***CMI 332	3
US/NV Const.	4	***CMI 361	3
**CMI 330	3	***CMI 376	3
**CMI 360	<u>3</u>	Social Sciences	3
	13 credits	Fine Arts	<u>3</u>
			15 credits

**SENIOR**

FALL		SUMMER		SPRING	
**HPS 420	3	*CMI 490	3 credits	*CMI 485	1
*CMI 485	1			*CMI 490	3
*CMI 490	3			Humanities	3
Social Sciences	3			Social Sciences	<u>3</u>
Humanities	<u>3</u>				10 credits
	13 credits
